Enrolling in a Payment Plan

The College of Charleston is pleased to offer students enrolled at the College four payment plans to finance the cost of Academic Fees (including lab and matriculation fees), Housing and Meal Plan costs over the period of a semester. (The plan may not be used for May/Summer sessions.) The plan is offered exclusively by the College and replaces any past plans including promissory notes. The plan is offered as a service to the student, allowing the student to finance education and related costs over the period of a semester. The automatic payment schedule calculates the balance remaining after financial aid is applied' financial aid funds, such as loans, scholarship, grants etc. are not recognized as payments toward the payment plan. Students may still elect to make full payment at time of registration.
